Toddler Summer Camp

Introduction

Your 18 months to three-year-old will enjoy a multi-age summer camp classroom with fun, safe, and healthy activities that are geared toward your child's developmental level. Alongside their camp teachers, campers will explore a different theme each week through movement, activities, art projects, books and more!

Schedule

Each camp is offered through a consistent weekly schedule. The camp day runs from 8am-3:30pm. Before and after camp programs are available at an additional cost. Select the camp weeks that best fit your campers' needs and interests.

The deadline to make changes to your Summer Camp schedule is May 17th, 2024.

After the deadline, your child will be enrolled in the camps selected and you will be billed accordingly.

How to Enroll

Enroll online at www.royalmontessoriacademy.com, follow the link "Summer 2024 Registration" to begin enrollment. **Enrollment is online ONLY and begins March 1st, 2024.**

You must enroll a minimum of 2 days/week, and a minimum of 2 camp weeks.

Week 1 - June 17-21: Nature Explorers

Join us for a week of discovery at the Nature Explorers Camp, where children will connect with the great outdoors through thrilling outdoor activities, nature walks, and fascinating lessons about plants and animals. From gardening to bird watching and nature crafts, it's a journey into the heart of the outdoors!

Week 2 - June 24-28: Edible Art Extravaganza:

Campers become edible artists, creating fantastical edible sculptures and masterpieces. Using food as their medium, they'll unleash their creativity and bring their imaginative visions to life.

Week 3 - July 1-3: Red, White and Blue Bonanza

This week offers a unique opportunity for little ones to explore and learn while embracing the patriotic spirit. Children will engage in a variety of activities inspired by the festivities of Independence Day. From arts and crafts to games and storytelling, our campers will immerse themselves in the vibrant colors, symbols, and traditions associated with the Fourth of July.

Week 4 - July 8-12: Dinosaur Discovery

Join us for an exciting week at the Dino Discovery Camp, where young paleontologists will delve into the fascinating world of dinosaurs. Children will engage in fossil digs and dinosaur crafts that journey back in time to explore the wonders of these majestic creatures!

Week 5 - July 15-19: Weather Wonders

Get ready for a week of meteorological marvels at the Weather Wonders Camp, where young scientists will explore the diverse world of weather. From crafting weather instruments to engaging in water play and discovering the magic of rainbows, it's a weather-themed journey that promises both fun and learning!

Week 6 - July 22-26: Music and Movement

Get ready to move and groove at the Music and Dance Adventure Camp, where children will explore the enchanting world of music and dance. Campers will play instruments and engage in movement games along with learning simple songs and dances. It truly is a rhythmic adventure full of joy and expression!

Week 7 - July 29-August 2: Superhero Academy

Calling all aspiring superheroes! Join us at the Superhero Academy Camp, where children will embark on an extraordinary journey of self-discovery, creativity, and superhero training. Children will learn about the real-life heroes in our communities and use their superhero skills in an obstacle course. These superheroes will craft their own character and costume to conquer a heroic adventure like no other!

Week 8 - August 5-9: Simple Woodworking

Join us at the Woodworking Wonders Camp, where young builders will explore the fascinating world of woodworking under close supervision. Using soft wood and simple tools, children will focus on creating basic shapes and simple objects, fostering creativity and hands-on skills in a safe and supervised environment.

Week 9 - August 12-16: Around the World in Days

Join us for an enriching journey at the Around the World Camp, where each day is a celebration of a different country. Children will dig into the diverse wonders of our world, learning about geography, language, culture, and customs in an immersive and exciting way!

Week 10 - August 22-26: Recycling and Upcycling

Join us for a week of environmental exploration at the Eco Explorers Camp, where children will learn the significance of recycling, reusing, and reducing waste. Through creative upcycling projects, waste management education, and activities to reduce our environmental footprint, it's a journey towards a greener and more sustainable future!

Elementary Summer Camp

Introduction

Perfect for campers who have completed Kindergarten through 2nd grade. Your five to eight-year-old will enjoy a multi-age summer camp classroom with fun, safe and healthy activities that are geared toward your child's developmental level. Alongside their camp teachers, campers will explore a different theme each week through movement, activities, art projects, books, and more! Campers will also benefit from field trips based on the camp theme of the week.

Schedule

Each camp is offered through a consistent weekly schedule. The camp day runs from 8 am-3:30 pm. Before and after camp programs are available at an additional cost. Select the camp weeks that best fit your campers' needs and interests.

The deadline to make changes to your Summer Camp schedule is May 17th, 2024. After the deadline, your child will be enrolled for the camps selected and you will be billed accordingly.

First & Last Day of Summer Camp	Holiday Break/No School
---------------------------------	-------------------------

Week 1 - June 17-21: Sports and Fitness Fiesta

Get moving and stay active! This camp focuses on various sports and fitness activities, promoting physical coordination, teamwork, and a healthy lifestyle. Children will engage in age-appropriate sports games and exercises.

Week 2 - June 24-28: Inventors and Inventions

Step into the Inventor's Workshop Camp, where young minds will explore the realm of famous inventors and their groundbreaking creations. From learning about historical inventors to encouraging children to unleash their own inventive spirit using everyday materials, it's a week of innovation, imagination, and hands-on exploration!

Week 3 - July 1-3: Patriotic Celebration

Get ready to celebrate the spirit of independence! In this camp, children will engage in activities that honor the Fourth of July in a Montessori-inspired way. The focus will be on independence, hands-on learning, and fostering a sense of community.

Week 4 - July 8-12: Eco-Friendly Living

Join us at the Sustainable Explorers Camp, where children will dive into the world of sustainability, environmental care, and the importance of preserving our planet. Through engaging in activities such as recycling projects, learning about renewable energy, and creating upcycled crafts, it's a week of eco-conscious exploration and hands-on learning! A global journey that sparks curiosity and fosters a love for our interconnected world!

Week 5 - July 15-19: Space Odyssey

Blast off into a world of stars and galaxies! This camp explores the mysteries of space through fun activities like stargazing, a planetarium visit, and creating solar system crafts. Children will engage in imaginative play and learn about the vast universe around them.

Week 6 - July 22-26: Rock and Roll Music

Get ready to rock! Campers will explore the world of music, learn about different instruments, and engage in musical activities. This theme encourages a love for music, rhythm, and creative expression.

Week 7 - July 29-August 2: Architecture and Building

Welcome to the Creative Builders Camp, where young architects and designers will explore the art of building using a variety of materials. From blocks and clay to recycled items, it's a hands-on adventure that encourages creativity, innovation, and the joy of bringing imaginative structures to life!

Week 8 - August 5-9: Global Cuisine Exploration

Join us on a culinary journey around the world! Campers will explore different cuisines, learn about diverse food cultures, and engage in hands-on cooking activities. This theme promotes cultural appreciation and culinary skills.

Week 9 - August 12-16: Artistic Expressions

Unleash your creativity! This camp is all about artistic exploration, including painting, sculpture, and mixed-media projects. Children will have the freedom to express themselves through various art forms, fostering their imagination and artistic skills.

Week 10 - August 19-23: Insect Safari

Enter the fascinating world of insects! Campers will become entomologists, studying different insects, their habitats, and life cycles. Activities may include bug hunts, creating insect models, and observing live specimens.
