

Dear Parents,

We're overwhelmed by the enthusiastic response to our summer camps this year! Due to the incredible turnout, we regret to inform you that we no longer have availability for the full Monday-Friday schedule across all 10 weeks of the camp.

However, we encourage you not to miss out on the opportunity for your child to experience our enriching summer program. There are still some options available for partial weeks or specific days. To explore these remaining opportunities and find a fit for your child's summer adventure, please reach out to us directly.

Contact the **West Campus at 920-499-8900** to discuss what weeks and days are still open for enrollment. Our team is ready to assist you in securing a spot!

Thank you for your understanding and continued support.
