

Summer Program Camps – 2018

Campout: June 18 – 22

This week spend fun-filled days with your friends while participating in traditional camping activities and games! Learn all about what you need to succeed when out camping!

Eric Carle: June 25 – 29

Art, songs, plays and activities based on popular Eric Carle books like *The Hungry Little Caterpillar*, *The Grouchy Ladybug* and *the Quiet Cricket*.

Patriotic Pride: July 2 – 6

Help us celebrate Independence Day and show our patriotism for USA!

Blast from the Past: July 9 – 13

Let's go back in time to celebrate with music, fashion and dance from the past. From crazy hair do's to mix and match clothes, they will learn and showcase the 80's, 70's, 60's, 50's and the western frontier. They will have barrels of fun.

Down on the Farm: July 16 - 20

This week we learn all about farm life. They will dress like a farmer, build a farmhouse, learn about different farm animals, the sounds they make, the foods they eat and how to care for them! It wouldn't be a farm without playing in the hay too! A visit from the petting zoo this week too!

Under the Sea: July 23 – 27

We are escaping to the tropics and exploring the deep blue sea. We will have fun in the sun as we learn about sea animals, sea life and island life. Let's play with sand, search for shells, play beach games and build a class aquarium!

Book Worm: July 30 – August 3

The more that you read the more things you will know. The more you learn the more places you will go! This week we dive into reading favorite stories from our own library collections, create our own stories and have a visit from a mystery reader each day!

Art Explosion: August 6 – 10

Young artists will learn new art skills and explore their creativity while developing a lifelong appreciation for the visual arts. Let's learn about famous artists and make our own art masterpieces with a variety of art materials.

Out of this World: August 13 – 17

Get ready to get messy! Using a combination of math, science and art, we will turn mess making into learning! Let's dress like a scientist and create volcanoes, slime, tie dye shirts and more!

Sports & Fitness: August 20 – 24

Let's learn about a variety of competitive sports and the importance of teamwork this week! Ending our summer camp program with field day activities!
