

2021 - Summer Camp Enrollment

Hello RMA Families!

Typically, our summer enrollment is set to open on 3/1, however, we have one last piece that is being finalized on our online enrollment for the summer program, which has pushed our enrollment date back to **3/8**. We apologize for the inconvenience and appreciate your patience while we finalize one final update for a seamless enrollment process!

We will send an email with enrollment links on **3/8** for our summer program. Enrollment links will also be posted on our social media and on our website under Royal Programs page.

We look forward to another fun summer of learning, exploring, and creativity here at RMA! If you have any questions, please do not hesitate to ask!
